

Office: **Genoa**

Date: **19 November 2018**

This Certificate is issued to

METAL SERVICES MATERIALS TESTING Srl and is to certify that on the 08.11.2018 the undersigned Surveyor to this Society did, at their request, attend in Via Joze Srebernic, 14 - 34077 Ronchi dei Legionari (GO), Italy, for the purpose of assessing their testing Laboratory as capable to carry out the following tests in accordance with LR Rules both for Metallic Materials & Metallic Material Welds as applicable:

- Tensile Tests
- Impact Tests
- Bend Tests
- Hardness Testing
- Macroscopic & Microscopic examination of welds in metallic materials.

This Certificate is valid until 07.11.2021.

General conditions for the validity of the certificate:

1. The initial conditions verified by LR at the time of the assessment are to be maintained.
2. Any changes to the initial conditions are to be promptly communicated to LR, which reserves the right to repeat the relevant assessment.
3. Material qualification and testing to be performed under LR certification are to be carried out only in the presence of an LR Surveyor.
4. The testing activities are to be carried out in compliance with LR Rules and / or applicable Standards.
